MCR800 MODULAR DESK SYSTEM
ENGINEERED FOR THE MODERN
WORKSPACE.
WHERE PRECISION MEETS
FLEXIBILITY.

COLLECTION OVERVIEW

Designed for the way you work today

MCR800 represents Metro's most advanced desk system, combining Scandinavian design principles with German engineering precision. Each desk is crafted from sustainably sourced materials and built to exceed EN 527 office furniture standards.

Whether configuring a single workstation or an entire open-plan office, MCR800 adapts seamlessly with its modular frame system, integrated cable management, and extensive range of accessories.

System and Modules Description

The modular design of the counter allows for configurations tailored to user needs and space requirements. Available modules can be used to create straight or corner configurations.

RC801 Straight module 80 - expandable or as a free-standing module **RC801FS**.

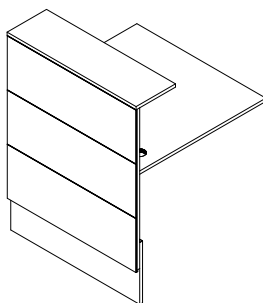

RC802 Straight module 120 - expandable or as a free-standing module **RC802FS**.

RC803 Universal (left/right) Corner Module - expandable.

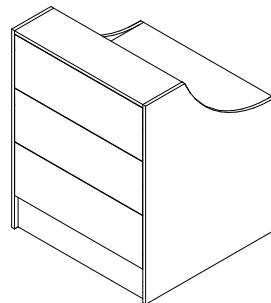

Notice: The module is equipped with 2 x side panels, which constitute the ends of the counter. In case of connecting the Universal Corner Module to another module, the side panel is not used.

RC804L Low module (left) with countertop for serving individuals using wheelchairs, for system expansion. Available only as an end module (left version).

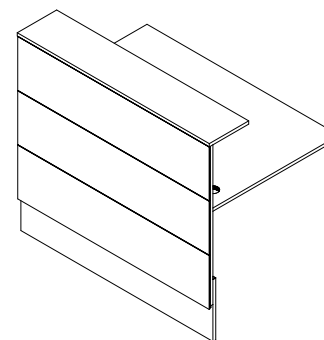

RC804R Low module (right) with countertop for serving individuals using wheelchairs, for system expansion. Available only as an end module (right version).

FUNCTIONALITY

Features

Modular & scalable

Wide range of sizes — pick the footprint that fits the room and the workflow.

Accessory ready

Mount monitor arms, CPU holders, cable trays, and power modules without drilling. The under-desk rail accepts 30+ certified accessories from day one or after years of use.

Quick & simple assembly

Pre-assembled frame keeps installation fast and straightforward. One person can complete a full desk without specialist help.

FUNCTIONALITY

Features

Seamless welded joints

Profile joints are welded and finished without visible seams, leaving the frame clean and uniform from every angle.

Optional return desk

A side return can be attached to extend the work surface — useful for L-shape setups and longer workstations.
