TS — ERGONOMICS BASED ON
ADJUSTABILITY. MANUAL OR
ELECTRIC HEIGHT ADJUSTMENT
ALLOWS THE WORKSTATION TO BE
TAILORED TO THE USER AND THE
TASK AT HAND, SUPPORTING
COMFORT AND EVERYDAY
EFFICIENCY.

COLLECTION OVERVIEW

Designed for the way you work today

TS is a desk designed for people who value simplicity, functionality, and durability. It is a solution for those who do not need sit/stand functionality but are looking for a stable, solid desk for everyday work with manual height adjustment. Thanks to its restrained form and neutral character, TS works well in offices, educational spaces, shared work environments, and home offices.

The metal frame with a horizontal runner and the MFC tabletop provide durability and comfortable use even under intensive daily operation.

TECHNICAL DATA

Dimensions & specifications

Thoughtful construction and smooth height adjustment provide lasting comfort, stability, and an ideal fit for executive and professional office environments.

TECHNICAL SPECIFICATIONS

Width	120, 140, 160, 180 cm
Depth	70, 80 cm
Height range (manual)	64 – 84 cm
Weight (frame)	24 – 28 kg
Desktop thickness	25 mm

FUNCTIONALITY

Features

Modular & scalable

Wide range of sizes with height adjustment — pick the footprint that fits the room and set the working level to suit each user.

Accessory ready

Mount monitor arms, CPU holders, cable trays, and power modules without drilling. The under-desk rail accepts 30+ certified accessories from day one or after years of use.

Quick & simple assembly

Pre-assembled frame keeps installation fast and straightforward. One person can complete a full desk without specialist help.

FUNCTIONALITY

Features

Seamless welded joints

Profile joints are welded and finished without visible seams, leaving the frame clean and uniform from every angle.

Optional return desk

A side return can be attached to extend the work surface — useful for L-shape setups and longer workstations.

GETTING STARTED

How to order

EXPLORE THE OFFER

Browse our offer and pick the models you're interested in. You'll find the full product list in the Product Codes section.

CUSTOMIZATION

Use the on-site configurator to choose your preferred combination of tabletop and frame colors. Within a single order, you can freely configure each piece of furniture.

GET IN TOUCH

Contact us by phone or email. Our sales representative will answer your questions and help you finalize the order.

ORDER PROCESSING

Once the order is confirmed and the pro forma invoice is paid, we'll start preparing your order for shipment right away. You'll receive updates on its status along the way.

RECEIVING YOUR ORDER

On delivery, please make sure the shipment hasn't been damaged in transit. If you notice any issues, contact our sales team to resolve them.

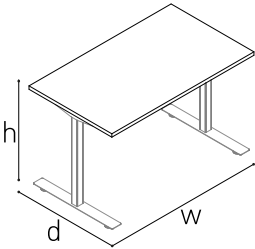

ASSEMBLY

Before assembling the furniture, read the manual carefully. Review all the steps and prepare the parts and tools you'll need. Proper assembly will ensure your METRO furniture serves you well for many years to come!
