

# METRO

Q5 IS A MODERN DESK  
COLLECTION THAT COMBINES  
SIMPLICITY OF FORM, ELEGANT  
APPEARANCE, AND THE  
FUNCTIONALITY NEEDED FOR  
EVERYDAY WORK.

## COLLECTION OVERVIEW

# Designed for the way you work today

QS is a modern desk system designed for the way people work today. It combines a minimalist form with a solid construction, creating elegant and functional office furniture.

Its clean lines, visually light frame, and timeless character make QS a natural fit for both individual workstations and larger office layouts. It is a collection that brings order to the workspace and supports comfortable everyday work.

TECHNICAL DATA

# Dimensions & specifications

QS combines refined simplicity with practical flexibility. Offered in four width options and two depth variants, it provides the freedom to create efficient, comfortable workstations tailored to the needs of contemporary offices.

TECHNICAL SPECIFICATIONS

|                   |                       |
|-------------------|-----------------------|
| Width             | 120, 140, 160, 180 cm |
| Depth             | 70, 80 cm             |
| Height            | 74 cm                 |
| Weight (frame)    | 26 - 37 kg            |
| Desktop thickness | 25 mm                 |

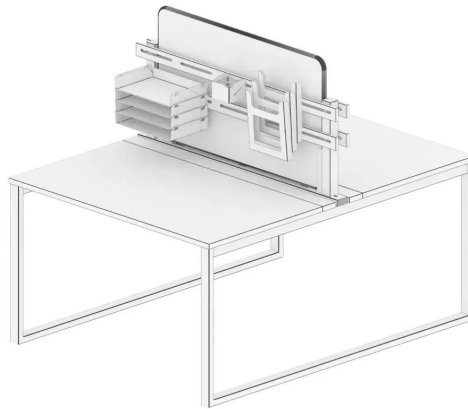

## FUNCTIONALITY

# Features

### Modular & scalable

Wide range of sizes — pick the footprint that fits the room and the workflow.

### Accessory ready

Mount monitor arms, CPU holders, cable trays, and power modules without drilling. The under-desk rail accepts 30+ certified accessories from day one or after years of use.

### Quick & simple assembly

Pre-assembled frame keeps installation fast and straightforward. One person can complete a full desk without specialist help.

## FUNCTIONALITY

# Features

### Seamless welded joints

Profile joints are welded and finished without visible seams, leaving the frame clean and uniform from every angle.

### Optional return desk

A side return can be attached to extend the work surface — useful for L-shape setups and longer workstations.

## GETTING STARTED

# How to order

### EXPLORE THE OFFER

Browse our offer and pick the models you're interested in. You'll find the full product list in the Product Codes section.

### CUSTOMIZATION

Use the on-site configurator to choose your preferred combination of tabletop and frame colors. Within a single order, you can freely configure each piece of furniture.

### GET IN TOUCH

Contact us by phone or email. Our sales representative will answer your questions and help you finalize the order.

### ORDER PROCESSING

Once the order is confirmed and the pro forma invoice is paid, we'll start preparing your order for shipment right away. You'll receive updates on its status along the way.

### RECEIVING YOUR ORDER

On delivery, please make sure the shipment hasn't been damaged in transit. If you notice any issues, contact our sales team to resolve them.

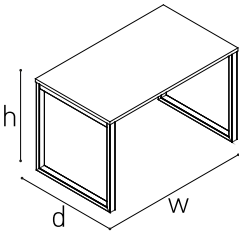

### ASSEMBLY

Before assembling the furniture, read the manual carefully. Review all the steps and prepare the parts and tools you'll need. Proper assembly will ensure your METRO furniture serves you well for many years to come!
