

# METRO

MCR800 MODULAR DESK SYSTEM  
ENGINEERED FOR THE MODERN  
WORKSPACE.  
WHERE PRECISION MEETS  
FLEXIBILITY.

## COLLECTION OVERVIEW

# Designed for the way you work today

MCR800 represents Metro's most advanced desk system, combining Scandinavian design principles with German engineering precision. Each desk is crafted from sustainably sourced materials and built to exceed EN 527 office furniture standards.

Whether configuring a single workstation or an entire open-plan office, MCR800 adapts seamlessly with its modular frame system, integrated cable management, and extensive range of accessories.

# System and Modules Description

The modular design of the counter allows for configurations tailored to user needs and space requirements. Available modules can be used to create straight or corner configurations.

**RC801** Straight module 80 - expandable or as a free-standing module **RC801FS**.

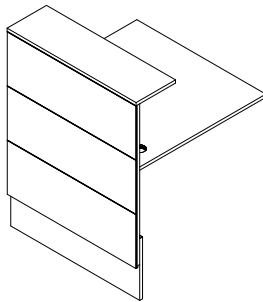

**RC802** Straight module 120 - expandable or as a free-standing module **RC802FS**.

**RC803** Universal (left/right) Corner Module - expandable.

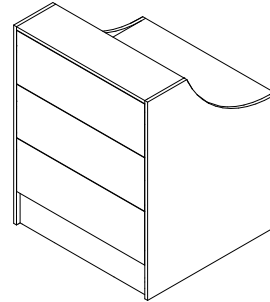

Notice: The module is equipped with 2 x side panels, which constitute the ends of the counter. In case of connecting the Universal Corner Module to another module, the side panel is not used.

**RC804L** Low module (left) with countertop for serving individuals using wheelchairs, for system expansion. Available only as an end module (left version).

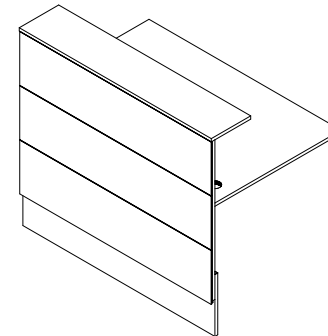

**RC804R** Low module (right) with countertop for serving individuals using wheelchairs, for system expansion. Available only as an end module (right version).

## FUNCTIONALITY

# Features

### Modular & scalable

Wide range of sizes — pick the footprint that fits the room and the workflow.

### Accessory ready

Mount monitor arms, CPU holders, cable trays, and power modules without drilling. The under-desk rail accepts 30+ certified accessories from day one or after years of use.

### Quick & simple assembly

Pre-assembled frame keeps installation fast and straightforward. One person can complete a full desk without specialist help.

## FUNCTIONALITY

# Features

### Seamless welded joints

Profile joints are welded and finished without visible seams, leaving the frame clean and uniform from every angle.

### Optional return desk

A side return can be attached to extend the work surface — useful for L-shape setups and longer workstations.

## GETTING STARTED

# How to order

### EXPLORE THE OFFER

Browse our offer and pick the models you're interested in. You'll find the full product list in the Product Codes section.

### CUSTOMIZATION

Use the on-site configurator to choose your preferred combination of tabletop and frame colors. Within a single order, you can freely configure each piece of furniture.

### GET IN TOUCH

Contact us by phone or email. Our sales representative will answer your questions and help you finalize the order.

### ORDER PROCESSING

Once the order is confirmed and the pro forma invoice is paid, we'll start preparing your order for shipment right away. You'll receive updates on its status along the way.

### RECEIVING YOUR ORDER

On delivery, please make sure the shipment hasn't been damaged in transit. If you notice any issues, contact our sales team to resolve them.

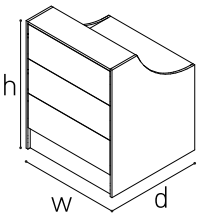

### ASSEMBLY

Before assembling the furniture, read the manual carefully. Review all the steps and prepare the parts and tools you'll need. Proper assembly will ensure your METRO furniture serves you well for many years to come!
